Ridge Manor Christian Academy Contingency Plan for Continuing Education of Students

March 20, 2020

Dear Parents and Caregivers,

As of March 17, 2020, Governor Ron DeSantis announced that K-12 school closures would last until April 15 in response to the COVID-19 pandemic. In order to comply with our governing agency, RMCA will be closed until April 15, 2020, unless the governing agencies extend the date of school closures. In order to comply with this request, we will implement our contingency plan. Students will access Abeka and Ignitia curriculum through internet portals. Teachers will be made available via school email, Ignitia messenger, text, and by phone. The school will remain open while students continue working from home. We are fortunate that we made the transition to our internet-based curriculum for circumstances where students would need to work from home. Please be aware that teachers will send links for instructional material. RMCA will be providing iPads for students that do not have access to devices to do their work on. If, by chance, a student does not have access to the internet, please communicate with us so that we may accommodate. Tuesday, March 24, 2020, teachers will be at the school to answer any questions between the hours of 8:00 a.m. – 2:30 p.m. Please check our website at RMCA.info starting Friday, March 20, for additional information and further instructions. If you have read this information, please confirm by calling or texting Principal Maylen Puentes (352)467-9364.

Best Regards,
Dr. Fred Puentes and Staff
